Duke of Edinburgh Gold Residential

What is the DofE Gold Residential?

To complete your Gold DofE you must undertake a residential, for this section you need to undertake a shared activity or specific course with people you do not know, in a residential setting away from home and in an unfamiliar environment.

This section offers a high degree of flexibility but it must be done with an organised group. You must join it individually and not with an existing group of friends or as part of a school or youth group trip.

Your activity can be anything that provides you with an opportunity for broadening your interests and experiences. It is ideal for trying something new.

Why choose one of our Active Learning Centres?

We offer a multi-activity course designed for each individual group, whether it be the mountains you enjoy, the lakes, the rivers, the coast, or just having fun in the outdoors then we are the place for you.

We believe that you deserve a top quality residential experience across all aspects; Staying in our fully renovated buildings, with fantastic food, inspirational instructors, and all within our stunning natural environments.
