

THE TOWERS KIT LIST

The following list will help you pack your bag before you come to The Towers. If the course is less than five days then please reduce amounts listed. At The Towers we will provide everyone with a set of waterproofs, a fleece and a rucksack. Any technical equipment required on activities, such as helmets, harnesses and buoyancy aids will also be provided.

Try and pack your bags yourself so you know what you have brought with you	TOP TIPS FOR PACKING	ESSENTIAL ITEMS TO PACK

STUDENT SUPERVISION

During the day, we will group the students into 12's with each group having an instructor and a member of staff assigned to each group. Your instructor will stay with your group for the duration of the activities.

During the night, students will share rooms which have between 4 and 8 beds in each, your school will inform you of who you are sharing with.

Each sleeping area will have teacher rooms and they will be the first point of call in the night if any students need anything. We will have members of staff onsite too in case there is a wider issue.

Each area has individual washing and toilet facilities either ensuite or just outside the room.
